

## Module 10 - Scenarios for “Elderly”

Recommendations R1, R3, and R4 were translated into the following scenarios:

- Scenario 1: Provision of UPS benefits at the poverty line level, indexed on inflation, to the elderly aged 75 years and older in the informal economy and not covered by VPP;
- Scenario 2: Extension of UPS benefits at the poverty line level, indexed on inflation, to the elderly aged 60 years and older in the informal economy and not covered by VPP;
- Scenario 3: Extension of UPS benefits at 50 per cent of the poverty line level, indexed on inflation, to the elderly aged 60 years and older in the informal economy and covered by VPP.
